

GOOD NEWS – February 2018

Pastor's Letter

How do we know what we know?

(In seminary, that was one of the long list of words I had to look up: epistemology – the study of how we know what we know!)

How do we learn and understand and interpret the world around us?

How do we know God?

How do we know the truth about who God is and how God acts in the world?

Think about your own life, and the ways you learned to interpret the world around you. You may have studied World War 2 in school and learned about the economic struggles following World War 1 that set the stage for the people to be open to a strong leader that would bring them out of their difficulty, bring jobs, economic recovery, a way forward. You may have studied about concentration camps and the horrors suffered overwhelmingly by people of the Jewish faith. Perhaps your understanding changed-deepened when you visited one of those sites in Europe, when you met someone directly involved - a Holocaust survivor, someone who lived in an area consumed by War, or when you heard family stories passed down about their experience of that time. Perhaps your understanding changed when you yourself were subjected to violence based on prejudice, or when you yourself served in a time of war. We know what we know through a combination of study, experience, relationship, and tradition.

Our understanding of God, our faith is formed in much the same way. We know what we know through study (scripture), experience (where have you encountered God, experienced God's presence in your life), relationship (who are the people who have shown you God's love, who have wrestled with scripture with you, prayed with you and for you, who have been a light in dark places), and tradition (what are the ways we have created space for God in our lives, in our church, in our families). Tradition is really our faith family narrative that informs our perspective. All of these contribute to our understanding, knowledge and experience of God.

One of our Confirmands recently asked, "Why do we have four gospels; shouldn't one be enough?" Matthew, Mark, Luke and John are witnesses to the life of Jesus, and each tell that story to their

people from their perspective, based on the promises of God that their community needs to hear. When I gather with a family who has had a loved one die, I ask to hear about the person who died, so that I can hear about their life, their relationships, and figure out which promises of God they need to hear, because situation and circumstance matter: did they drift away from church – do they need to hear that God is the one who gathers us in and knows us by name; did they suffer in the end – do they need to hear that in God we are complete and whole again?; were they deeply connected to family and need to hear that we will be united again in God, or had they become disconnected through the years and lonely and need to hear that God has not forgotten them and has a place for them where they are known and loved. All are true. God is all of these and more. I am choosing based on the people gathered, which truth we need to hear. We listen to all of the gospels to get a clear picture of God among us. We listen to all scripture God's peoples experience of God through the centuries to understand who God has been and who God will be for us know as we piece together this picture of God present in the world.

In these days when we question what we know and how we know it, when we consider what is true and what is not, think about these things... what is the source, what is their perspective, how does their experience and motivation shape their telling, how does our own experience shape our hearing and understanding and how do our relationships inform our hearing.

The gospel of John ends with (before the Epilogue), "Now Jesus did many other signs in the presence of his disciples, which are not written in this book. But these are written so that you may come to believe that Jesus is the Messiah, the Son of God, and that through believing you may have life in his name."

In these days of Epiphany into Lent, we gather in worship, in fellowship, in prayer, in service around scripture, around tables, with brothers and sisters in Christ and seek to be in the person and promises of God so that we might too might have life and have it abundantly.

Peace+

Council Corner

From the President

Thanks to all, who attended and participated in our annual meeting. We discussed the achievements of our past year and our hopes for the coming year. We passed an aggressive budget which we will all have to work together to meet. The snow plowing bills and the heating oil invoices have already taken a toll on that budget. We need to work together to help combat these bills.

At the meeting we formally welcomed Steve Adam as Treasurer (Steve was appointed treasurer at the resignation of Jon FitzGerald). We also welcomed Carol Emond as Vice-President and Joelle Stairs as Young Adult Member ages 18 thru 30. We look forward to working with these new faces on the parish council. We are still searching for someone to fill the Christian Education Liaison position and the Parish Life position.

In keeping with St. Andrew's liking for food, we have two interesting opportunities for you to try:

1. The first is a repeat of a favorite - Super Bowl Sunday Grinders. Orders will be taken until Sunday, January 28, 2018. Don't miss the deadline.
2. Shrove Tuesday Pancake Festival. Join the "WoW" family as we prepare for Lent. Rumor has it that pancakes will be "flipped". I wonder what that means. Come join us to see what is in store.

Finally, Lent is around the corner. Check the St. Andrew calendar for extra meaningful worship experiences.

See you in Church
Bob

Worship with us weekly
Saturdays at 4 p.m.
Sundays at 9:30 a.m.

These weekly services of Holy Communion are what make us church. Here is where we gather, where God has promised to meet us. Here is where we are fed and forgiven, where we hear God's promises spoken for us, where we are formed as God's people for the world. In February, we transition from the season of Epiphany to the season of Lent, from focusing on the incarnation of God to the crucifixion. During Lent we look for ways to attune ourselves to God, to focus our eyes, open our ears, to use our hands in service towards our neighbor, to allow God to imprint God's love on our hearts. Come and hear God's promise for you. Come and be fed and blessed in your journey. Come and be reconnected to your brothers and sisters in Christ.

Transfiguration of our Lord Sunday, February 11 at 9:30 a.m., we close the season of Epiphany with Transfiguration of our Lord, ringing out our alleluias strong, before we put them away for Lent. The children of the parish help transition us from "Thanks be to God!" (Alleluia) to "Lord have mercy" (Hashem Yerachem) by processing in and out with Alleluia banners, and burying the banners at the end of service. Our Alleluias will fly again on Easter day.

Palms!

We begin Lent by burning our Palms from the previous year's Palm Sunday to use as our ash for Ash Wednesday. If you saved your palms in your home, please bring them in by **Sunday, February 11th**. A basket for collection will be available in the Lobby beginning Saturday, January 27th. The palms will be burned at our Shrove Tuesday Fabulous Pancake Flipping Fest, Tuesday, February 13 at 5:30 p.m. All are welcome to join us (see WoW for more information).

Ash Wednesday
February 14th, 7:00 p.m.

For 40 days we draw near to God. Lent begins here with a solemn call to the disciplines of Lent, the practices we use to draw near to God, to focus ourselves: prayer and fasting, self-examination and repentance, and sacrificial giving and works of love. This day we are reminded that we are dust of the earth breathed into being by the living breath of God (God-inspired). The ashes on our brow, made from last year's palms, once waved welcoming the King, now proclaim Christ the King of our lives and deaths. They remind us of our human mortality, and retracing the cross made on our brows in baptism, God's promised immortality through the resurrection of Jesus. Because this day in particular calls us to fast (to empty our bodies for Christ to enter in), our Bread and Broth begins the following week (February 21st).

Blessing of the Church Council.
The First Sunday in Lent, February 18th, 9:30 a.m.

We offer our prayers and support for those serving on this year's Council, new and returning, and for the ministry we share. We are grateful for those who have agreed to serve as our leaders: Robert Herold, President, Carol Emond, Vice President, Stephen Adam, Treasurer, Ellie Miller, Secretary, Karen Biernat, Liaison for Faith Formation, Arlene Creswell, Liaison for Outreach and Mission, Kelly Simpson, youth at-large, Joelle Stair, young adult at-large, and Donald Zurell, Liaison for Stewardship.

At this writing we still have an openings for Council for Liaison for Parish Life. Council meets the first Thursday of the month at 7 p.m. for about an hour and a half and is responsible for the overall oversight of the mission and finances of the congregation. Liaisons report from groups and committees in their areas of responsibility. If you are interested in serving, please speak with Pastor Stephanie, or a member of Council.

You are the Way:
Devotions for Lent 2018.

Devotional booklets are available for Lent. These small booklets are a simple treasure enriching your 40 days. Daily providing an evocative picture, a bible verse or two from John, a quote to ponder, a reflection and a prayer. We have offered this resource the last couple years, and many have appreciated them. A donation of \$3 is requested to cover the cost.

Midweek Lenten Series: Loving our Neighbor.

Join us on Wednesdays in Lent as we sip soup and sup with our Lutheran neighbors from Gloria Dei Lutheran Church. Continuing our traditional midweek Lenten gathering around a simple meal, we will take turns hosting our midweek program, beginning at 6 p.m. with Bread and Broth. Looking to learn about our neighbors, specifically this time around our Muslim

neighbors, we have invited The Rev. Dr. David D. Grafton to lead an information, educational piece regarding Islam, Christian-Islam relationships, Muslims in America. Dr. Grafton is a Lutheran pastor, who has specialized and teaches Islamic studies and Christian-Muslim relationships. Currently teaching at Hartford Seminary, you can check out his educational background, teaching experience, and publications here: <https://www.hartsem.edu/wp-content/uploads/David-Grafton-CV-2017.pdf>).

Our schedule looks like this:

- Wednesday, February 21st, at St. Andrew with only St. Andrew members (Gloria Dei members will meet at Gloria Dei for this first week), 6 p.m. Bread and Broth followed by an introductory session looking at what our own experience has been with people of Muslim faith, what our questions and concerns. We will end the session with a brief worship service.
- Wednesday, February 28th, at Gloria Dei (355 Camp Street, Bristol), Bread and Broth begins at 6 p.m. Dr. Grafton leads the first session with some general information on the tenets and practices of Islam. Our time will conclude with a brief worship service.
- Wednesday, March 7th, at St. Andrew, beginning at 6 p.m. with Bread and Broth, followed by a second session by Dr. Grafton, concluding with a brief prayer service.
- Wednesday, March 14th, at Gloria Dei, beginning at 6 p.m. with Bread and Broth, followed by a third session by Dr. Grafton, concluding with a brief prayer service.
- Wednesday, March 21st, at St. Andrew, beginning with Bread and Broth at 6 p.m., followed by a shortened concluding segment, closing with Holden Evening Prayer.

Shrove Tuesday Fabulous Pancake Flipping Fest!

Everyone has traditions around the Tuesday before Ash Wednesday, the Tuesday before Lent (and Lenten disciplines) begin. Whether it's Mardi Gras, Shrove Tuesday, Fastnacht, whether you are eating pancakes, donuts (fastnachts), beignets, or paczkis, the thought is the same – use up the rich, heavy foods that we will not be eating during lent. WoW invites you to join them Tuesday, February 13th at 5:30 p.m. for some pancake flipping fun. Learn about Shrove Tuesday and Lent, make a mask or bead your own necklace, get your face or hand painted, participate in the traditional pancake flipping race, EAT PANCAKES, and join in prayers as we burn our Palms from last year's palm Sunday to make our Ash for Ash Wednesday. All you need to do to participate is sign up in the Fellowship Hall and bring your favorite pancake topping (NO Bananas please – we have a severe allergy).

2018-19 YAGM applications – one month left to apply!

The ELCA Young Adults in Global Mission (YAGM) program invites young adults ages 21-29 into a year of service, faith formation and relationship building in 11 country programs around the world. Young adults serve in the spirit of accompaniment, walking alongside global companions in a manner that practices mutuality, interdependence and solidarity. As they offer themselves in service, young adults are shaped by the witness of our global neighbors. Check out ELCA.org/yagm for more information and apply now! Applications are due Feb. 15 for service beginning August 2018.

Wednesday Bible Study: 1 Corinthians.

With two Wednesdays left, this study examines the correspondence from the apostle Paul to the early church in Corinth. Paul's letters to this church provided guidance - for persons new to faith as well as those growing in faith - about what it means to be a disciple of Christ. This study examines some of the "big questions" the church faced, and that we still face today.

Join us Wednesdays, January 31 and February 7 from 7-8 p.m.

This course explores selected passages from 1 Corinthians, looking at”

- What Am I Good For? (1 Corinthians 12:1-31)
- What Will I Be Ultimately? (1 Corinthians 12:12-28; 35-58)

1ST SUNDAY STAY: Sunday, **February 4th** (the 1st Sunday of the month) Roger Narvesen and Donna Ropp invite youth (Confirmands and High School) to stay (also stands for **St. Andrew Youth**) after church to play games and fellowship.

Outreach & Events

Super Bowl Subs!

Doesn't matter if you are rooting for the Patriots or the Eagles (Patriots), you will need the perfect game snack. Order your grinder from the youth group and help them get to camp. Pick up your freshly made grinders that morning (Sunday, February 4) after church. Orders are due by Sunday, January 28. As we purchase our supplies carefully to maximize our funds raised, we cannot fill orders the day of. Order now. Eat then. Order forms are available at church in the bulletins and at the order table. One sandwich per form please. Sandwiches are \$7 each.

Youth Volunteers for Super Bowl Subs:

In order to help fund our Calumet Retreat, Youth Committee plans a few fund raisers. To that end, we are selling sub sandwiches for people to enjoy the day of the Super Bowl. We have already been advertising, and last weekend we started taking orders. We need your help with the following:

- **Taking Orders.** Saturday, January 27/Sunday, January 28 following worship services.
- **Prepping for sandwich making:** chopping, lettuce, tomato etc Saturday, February 3 following worship until 7 p.m.
- **Making and handing out sandwiches:** Sunday, February 4, beginning at 8 a.m.

Confirmands Volunteer Hours at Village Green:

Donna Ropp works as the Activity Coordinator at Village Green, and would be open to coming in on her day off to have Confirmands engage with the residents there in some games from 9 a.m. until 11 a.m.:

YOU NEED TO LET DONNA KNOW IF YOU PLAN TO ATTEND.

IT'S COLD OUTSIDE!

The City of Bristol and its agencies and peoples are looking to make sure people experiencing homelessness are safe and warm these frigid months. Our homeless shelter is full, and frequently operating, as it is able and allowed, with overflow guests.

At our monthly Bristol Cares meetings, the following needs were identified as crucial: volunteers for St. Vincent so that the shelter can keep safe as many people as allowed; new twin sheets, new pillows and pillow cases; \$5 McDonalds gift cards for day centers to hand out allowing people time to enjoy a coffee and warm up; Payless/Walmart gift cards for agencies to use towards boots; day bus passes both to ride and stay warm and to get to the shelters available, our 2-1-1 system sends people to wherever the bed is available.

Please see Pastor Stephanie if you are interested in volunteering, donating, coordinating this effort.

#forsuchathis. Presiding Bishops of the Evangelical Lutheran Church in America and the Episcopal Church issued a joint invitation to a season of prayer, fasting and advocacy out of concern for proposed deep cuts to programs that are vital to hungry people struggling with poverty. As Lutherans, we are not often invited to fast as a spiritual discipline. It is frequently mentioned spiritual discipline in the Bible. There are many ways to be intentional about a fast: nothing but liquids for the day, nothing between sun up and sun down, pick a particular group of foods or a meal to forgo. The point is the intentionality. That comes from the prayer that surrounds the act for those who are hungry and suffering in poverty. This is how we walk alongside. This is how we accompany. We offer ourselves in some way for our neighbor who is hurting.

Those who choose to engage in this spiritual discipline are invited to fast on the 21st of the month.

Women's Guild

Meetings will resume on Tuesday, MARCH 13th. Please check the newsletters, bulletins and the WG bulletin board for further information and upcoming events.

Once again we thank all who participated in the collection of Christmas gifts for the residents of Village Green. We especially thank Donna Ropp who made sure that the gifts were delivered to the home!!

Thank You

We are grateful for the many new greeting card donations. One donor left over 50 cards. All will be used to bring joy to those in need.

WINTER GROCERY CART CHALLENGE

We're going to try something new.....thanks to anyone who has shared a recipe.....if not, no worries, here's what we're hoping to do:

"Meal in a Box" (or bag)

for instance, I make a taco stew that has canned items and shredded chicken. Well, canned chicken could be used instead, so I'm going to make a box with all the canned ingredients plus canned chicken, and Voila! Santa Fe Taco Stew complete!

Or, boxed mac and cheese with a 1lb canned ham.....who doesn't love hot mac n cheese with ham cubes in it

or boxed mashed potatoes with a can of gravy and canned roast beef?

Do you make a veggie soup that might use canned/boxed items?

Lets try it!

Put your meal in a box/bag with the recipe and put it in our shopping cart.
Come on, we love a challenge!

Stewardship

It's Hip to be Square

There's still time to sponsor tiles for the new floor in our "Hip to Be Square" campaign.

Help by sponsoring a tile for \$25. Donations can be sent to the office or put in the offering plate. (and thanks to Jon Galvin for being our "Hip to Be Square" icon!)

As we enter the Lenten season, it is a time to reflect.....on what we have been given, on what we do, on who we are. Perhaps we follow the discipline of "giving up something for Lent". This year let's give up something that will not only be our spiritual discipline but something that will also help our neighbor! We should remember that what we have, has been given to us, and we are called to give what we have been given. Consider a 1% increase in your giving. To your neighbor

who has little, 1% might mean a hot meal, or a warm coat. "Enter into the Joy" of giving in 2018. Thank you for your continued support and care of all those in need.
